NEW YORK
" ONE OF THE BEST SERIES IN YEARS "

BuzzFeed
" BLOWS ORANGE IS THE NEW BLACK OUT OF THE WATER. IT'S JUST PLAIN INCREDIBLE."

VULTURE
" THE DARK DRAMA YOU'VE BEEN WAITING FOR "

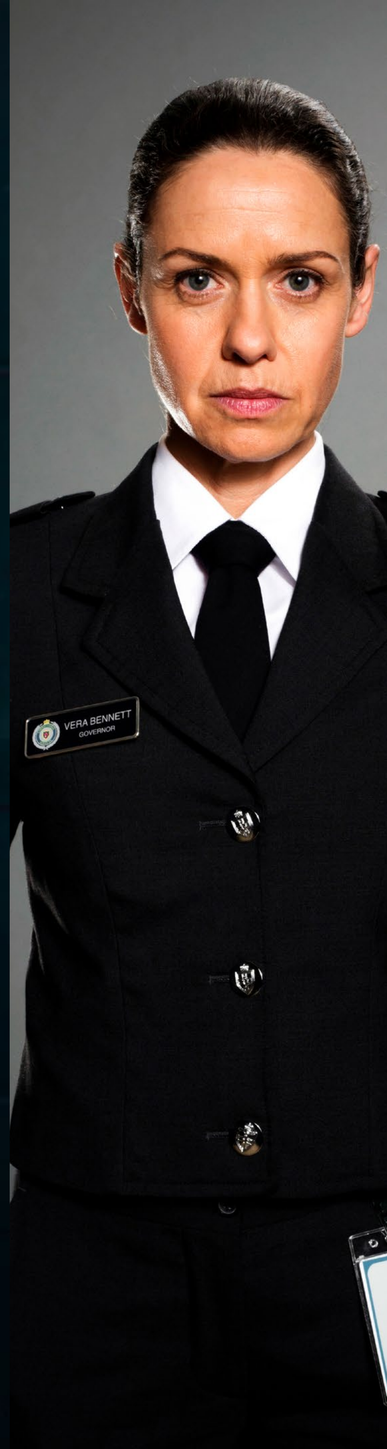

Wentworth is a critically-acclaimed, award-winning drama following the inmates of a women's prison as they struggle to survive in this tough, confrontational environment.

Hugely-popular across the globe, the series is a modern-day prequel to the iconic Prisoner Cell Block H, revisiting legendary characters and exploring the events that shaped them.

We follow suburban housewife Bea Smith as she goes from helpless new inmate to become one of the most notorious prison bosses. In this environment free from men and with its own internal politics and justice system, it takes brains and ruthlessness to rise to the top, and there are plenty of backs stabbed and bones broken on her way up.
